C. Advance Notice Policy

The purpose of the Advance Notice Policy is to establish deadlines by which director nominations must be submitted to the Company before any meeting of shareholders, as well as the information that must be included such a nomination notice. The Advance Notice Policy is intended to (i) facilitate orderly and efficient shareholder meetings; (ii) ensure that all shareholders receive adequate notice of the director nominations and sufficient information regarding all nominees; and (iii) allow shareholders to make an informed vote. In 2014, the Company’s shareholders had approved of amendments to the Company’s Articles to incorporate advance notice provisions but the Company did not actually make such amendments. The Company proposes to now adopt these terms as a stand-alone policy.

The following is a brief summary of the key terms of the Advance Notice Policy:

1. Shareholders of the Company must give advance written notice to the Company of any nominees for election to the board of directors, unless the nomination is made in accordance with the provisions of the Business Corporations Act relating to a shareholder proposal or requisition for a shareholder meeting.

2. For an annual meeting of shareholders, notice must be given to the Company not less than 30 days and not more than 65 days before the date of the annual meeting, but in the event that the annual meeting is to be held on a date less than 50 days after the date on which the first public announcement of the date of such annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement.

3. For a special meeting of shareholders (that is not also an annual meeting), notice must be given to the Company not later than the close of business on the 15th day following the day on which the first public announcement of the date of such special meeting was made.

4. The time periods for giving notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of notice as described above.

5. The notice for a director nomination must set out: (a) the name, age, business address and residential address of the nominee; (b) the principal occupation or employment of the nominee during the past five years; (c) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the nominee as of the record date; (d) a statement as to whether such nominee would be “independent” of the Company and the reasons and basis for such determination; (e) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among the nominating shareholder and beneficial owner, if any, and their respective affiliates and associates, or others acting jointly or in concert therewith, on the one hand, and such nominee, and his or her respective associates, or others acting jointly or in concert therewith, on the other hand; and (f) any
other information relating to the nominee that would be required to be disclosed in a dissident’s proxy circular.

For the purposes of the Advance Notice Policy, “public announcement” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR.

The Board may, in its sole discretion, waive the Advance Notice Policy with respect to a nomination.

Resolution

Shareholders are encouraged to carefully review the Amendments as set out in Appendix “B” carefully. The Board recommends that shareholders vote in favour of the following resolution:

“UPON MOTION IT WAS RESOLVED that:
1. The Advance Notice Policy, as set forth in Appendix “B” to the Company's information circular dated April 26, 2018, be and is hereby authorized and approved to be adopted by the Company; and
2. Any one director or officer of the Company is hereby authorized and directed to do all acts and things, to execute and deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such person determines to be necessary or desirable to give effect to the intent of these resolutions.”

GENERAL PROXY INFORMATION

Solicitation of Proxies

All costs of solicitation by management will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees may solicit proxies personally, by telephone or facsimile, but will not receive compensation for so doing.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy (the “Proxy”) are directors (“Directors”) or officers (“Officers”) of the Company and were designated by management of the Company (the “Management Proxyholder”). A shareholder wishing to appoint some other person who need not be a shareholder to represent the shareholder at the Meeting has the right to do so, by striking out the names of those persons named in the accompanying form of Proxy and inserting such other person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.

Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Shareholders electing to submit a Proxy may do so by:

a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. (“Computershare”) by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail or hand delivery to Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; or

b) using a touch-tone phone to transmit voting choices to a toll free number. The toll free number to call is 1-866-732-VOTE (8683) within North America and 1-312-588-4290 outside North America. Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy for the shareholder's account number and the Proxy access number.
A Proxy will not be valid unless the completed, dated and signed form of Proxy is received by Computershare not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof.

Revocation of Proxy

A shareholder who has given a Proxy may revoke it by an instrument in writing:

a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company; and

b) delivered to either:

i) Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or

ii) the chairman of the Meeting on the day of the Meeting or any adjournment thereof.

Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Exercise of Discretion by Proxyholders

Shares represented by properly executed Proxies in favour of persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. In the absence of any such specification, the Proxy will be voted as recommended by Management. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

The enclosed form of proxy, when properly signed, confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters which may be properly brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters, which are not now known to Management, should properly come before the Meeting, then the Management designees intend to vote in accordance with the judgment of Management.

Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“Non-Registered Holders”) because the shares they own are not registered in their names but are instead registered in the name of (a) a brokerage firm, bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or (b) a clearing agency such as CDS & Co. (any of the foregoing, an “Intermediary”). If you are a Non-Registered Holder, your shares can only be voted by the Intermediary in accordance with instructions received from you.

In accordance with securities regulatory policy, the Company has distributed copies of the Notice, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the Intermediaries for distribution to Non-Registered Holders. Each Intermediary has its own form of proxy and mailing procedures. Therefore, if you receive the Meeting Materials from an Intermediary, you should
carefully review the voting instructions provided by your Intermediary to ensure that you direct the voting of your shares in accordance with those instructions.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“Broadridge”), who typically sends a voting instruction form (“VIF”) to Non-Registered Shareholders requesting them to provide voting instructions. Please note a Broadridge VIF cannot be used to vote directly at the Meeting. If you are a Non-Registered Shareholder with a Broadridge VIF, you must follow the procedures set out by Broadridge, well in advance of the Meeting, for voting directly at the Meeting.

Non-Registered Shareholders who wish to attend the Meeting and indirectly vote as proxyholder for the registered shareholder should contact their Intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Shares as a proxyholder.

**VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The Company's authorized capital consists of an unlimited number of common shares without par value (the “Shares”). As at April 25, 2018 (the “Record Date”), there were 53,916,758 Shares issued and outstanding. Each share carries the right to one vote.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified herein, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the Directors or executive Officers, no persons beneficially owns, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares.

**DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION**

**Oversight and Determination of Compensation**

The Board as a whole has the responsibility of determining compensation for directors and senior management. The Board determines the compensation package for each NEO once a year, and due to the small size of the Company, the determination is based on the Directors’ collective business experience and judgment rather than through a formal process with objective measures. Although no identifiable “peer group” is used as a compensation benchmark, the Board generally attempts to set each NEO’s compensation to be commensurate with industry compensation of a similarly ranked executive.

In general, the Company’s NEOs (defined below) may receive compensation that is a combination of (i) salary, wages or contractor payments; (ii) stock option grants; and (iii) bonuses, if any. No element of compensation is tied to a specific goal or performance criteria.

**Director & NEO Compensation, Excluding Securities**

The following table sets forth the particulars of compensation, excluding stock options and other compensation securities, paid to NEOs for the Company's two most recently completed financial years. NEOs are comprised of:

a) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief executive officer (“CEO”), including an individual performing functions similar to a CEO;

b) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief financial officer (“CFO”), including an individual performing functions similar to a CFO;
c) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than $150,000, as determined in accordance with subsection 1.3(5) of Form 51-102F6V, for that financial year; and

d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

Orientation and Continuing Education

The Board provides ad hoc orientation for new directors. All Directors receive a Director's manual containing a record of historical public information about the Company, copies of the Company's charters.
and other relevant information. The Board also arranges meetings with management to provide a review of the nature and operations of the Company.

The Board provides continuing education for directors on an ad hoc basis in respect of issues that are necessary for them to understand to meet their obligations as directors. All of the Directors are actively involved in their respective areas of expertise, and they are encouraged to keep themselves current with industry trends and changes in legislation by liaising with management and the Company’s counsel, attending industry-related events and other educational seminars. The cost of continuing education activities will be borne by the Company.

**Ethical Business Conduct**

The Board has adopted and maintains a code of ethics which is applicable to the Company’s Directors, Officers and employees. The purpose of the code is to provide guidance and to prohibit unethical behavior with respect to issues such as conflicts of interest, confidentiality, whistleblowing, protection of corporate assets and opportunities, and compliance with laws and regulations. Furthermore, Directors are frequently reminded to consider whether they are in a conflict of interest by virtue of serving as directors or officers in other companies or holding an interest in a transaction or agreement. A Director in such circumstances is advised to disclose his or her interest in a transaction or agreement, and if the Board considers the interest to be material, such Director must abstain from discussing and voting on the matter.

**Nomination of Directors**

Given the small size of the Company and its stage of development, the Board has not appointed a nomination committee or put in place formal procedure for the identification of potential Board candidates. Since the size of the Board is limited, the functions of such a committee can be served by the Board as a whole.

**Compensation**

The Board as a whole determines the compensation of the Directors and the CEO. In setting compensation, the Board is guided by the nature of the Company’s business, the Company’s size and stage of development, current industry practices and the resources available to provide compensation. The Board will from time to time seek out the compensation policies of other comparable companies to ensure that the Company is able to attract and retain its directors and officers. Currently, it is the Board’s policy to compensate its Directors and CEO with equity options in order to align the interest of Directors with those of the Company’s shareholders.

**Other Board Committees**

The Company has no committee other than its Audit Committee at this point.

**Assessments**

Members of the Board are expected to continually evaluate the effectiveness of the Board, its committees and fellow Directors by considering the accomplishment, or lack thereof, of the Company’s goals. Furthermore, the Board is of the view that the Company's shareholders are the most important assessors of Board performance and that they provide the most effective, objective assessment of the Board's performance.
